The International Law Enforcement Cybercrime Award Sponsored by Motorola U.S.A.

CALL FOR ENTRIES

The Society For The Policing Of Cyberspace (POLCYB) and Motorola USA are pleased to announce The International Law Enforcement Cybercrime Award (I.L.E.C.A.) Call For Entries for 2011.

Created jointly by POLCYB and Motorola USA, the International Law Enforcement Cybercrime Award recognizes *innovation and best practices pertaining to prevention, detection, and/or response to cybercrimes*. This is your chance to spotlight your law enforcement agency for fighting cybercrime by using proactive and successful inter-agency collaboration with community partners.

The International Law Enforcement Cybercrime Award Program Goals

The International Law Enforcement Cybercrime Award program honours achievements in one or more of the following goals:

- ★ Prevention of Cybercrime
- ★ Detection of Cybercrime
- ★ Response to Cybercrime

Law enforcement members or agencies that have undertaken work in one, or more, of the above goals to help prevent and combat cybercrime are invited to participate in the I.L.E.C.A. The successful applicants will have managed an effective and innovative partnership with a community partner to achieve the I.L.E.C.A. program goals. Law enforcement members who have worked on a volunteer basis to achieve these goals are also encouraged to apply. Submissions will be reviewed by a special Award Panel of law enforcement professionals and community partners within POLCYB.

THE AWARD

Whilst entries should be submitted in the name of individuals, the award will be presented to **the law enforcement agency at which the winning initiative/investigation was completed.**

The International Law Enforcement Cybercrime Award consists of the following:

AWARD:

For the **Principal Law Enforcement Member** who undertook the work of the initiative:

- ❖ All travel and accommodation expenses and Summit registration paid by The International Law Enforcement Cybercrime Award to attend the Policing Cyberspace International Summit 2011 (POLCYB International Summit 2011), February 21st to 24th, 2011, Kuala Lumpur, Malaysia.
- ❖ The Principal Initiative/Investigation Law Enforcement Member will be invited to present a summary of the initiative/investigation at the POLCYB International Summit 2011.

For the **Law Enforcement Agency:**

- ❖ Trophy - The International Law Enforcement Cybercrime Award

GENERAL ELIGIBILITY

“Cybercrime” in the I.L.E.C.A. program refers to **technological crime** of any nature.

- ❖ The International Law Enforcement Cybercrime Award Program is open to all Law Enforcement Agencies of any size, worldwide. *The award will be made to the winning law enforcement agencies.*
- ❖ Law enforcement members who have expended their efforts on a volunteer basis to achieve these goals are also encouraged to apply.
- ❖ The initiative/investigation can be of a local, national, or international nature.

Judging Guidelines:

Submissions are judged on demonstrated innovative approaches in the following areas:

- ❖ Leadership role and commitment in creating and leveraging Community Partnerships through this initiative/investigation.
- ❖ Working effectively within the limits of available resources to develop effective and efficient Community Partnerships through this initiative/investigation.
- ❖ Demonstrate collaboration with the community on a local, national or international level.
- ❖ Produced meaningful results that can be used as models for other law enforcement agencies.

Who are the “Community Partner(s)”?

- ❖ A “Community Partner” in this award program could be a commercial organization, or an organization that provides social services directly to the community, such as an academic institution, non-profit social services organization, hospital etc.
- ❖ A “Community Partner” does not include an organization that comes under the criminal justice system or other government agencies and ministries.
